

Rebroadcast of Policija TV series on 22 regional stations across BiH

The three-part documentary series “*Policija*”, produced by MC Media in cooperation with UNMIBH and OHR, will be rebroadcast weekly for the next three weeks over 22 regional TV stations across BiH. The series was first broadcast in September on RT RS and TV BiH (now FTV).

The series follows the highs and lows of police cadets in the Banja Luka and Sarajevo police academies from their initial application through training and field experience to graduation and their first jobs. As such, it offers a unique insight into the future of policing in BiH through the eyes of new recruits – many of whom will be returnees, as well as cadets and police officers, in their pre-war municipalities.
